Are you protected from unexpected medication risks and overspending?

Take advantage of this important protection by registering today!

Help protect yourself from spending too much.

Discover possible ways to save money on medications that you or your family members take regularly. You could look up savings on your personalized cost-comparison chart, and then print the chart out to share at your next doctor's visit. Or use the **Medco Pharmacy™** mobile app on your smartphone to find those same savings opportunities under your plan while you're still in the doctor's office!

Help protect yourself from unexpected risks.

Anytime a personalized alert is waiting for you on **medco.com**, you'll be notified by e-mail to help you avoid certain health risks related to medications you take regularly. And you can ask a pharmacist questions whenever there's a need, day or night.

With the **Medco Pharmacy** mobile app, you can also set reminders on your smartphone to let you know to take your medications and to notify you when you're running low.

All you need, all in one place. Shop and save on nonprescription products, too!

It's so easy to find your over-the-counter medications, vitamins, supplements, personal care products, natural products, and more at the **Medco Health Store®**. Standard shipping is 99¢ on all orders. Plus, when you authorize us at checkout, the Drug Interaction Checker automatically checks items in your cart against your Medco prescription drug history on file for potentially harmful interactions.

You can also use **medco.com** to:

- ▶ Order prescription refills, renewals, and check order status.
- ▶ Review your plan's coverage guidelines.
- ▶ View claims, balances, and prescription history.
- ▶ Print claim forms, order forms, and fax forms.
- ▶ Locate participating retail pharmacies.
